A lie doesn't become truth, wrong doesn't become right and evil doesn't become good just because it's accepted by a majority. — Rick Warren

# De EU: das VIERTE Reich

En er bestaat lectuur over

De Europese Unie zoals deze nu bestaat is een exacte kopie van het Nationaalsocialistische Duitsland onder de regie van Hitler. Andes gezegd, de EU is een fascistische compositie van aangesloten landen waarin de burger GEEN ZAK meer te vertellen heeft! Dat staat in het controversiële boek *'The EU: The Truth About The Fourth Reich – How Hitler Won The Second World War'*. De termen eenheidsmunt, vrije markt en zelfs 'Verenigde Staten van Europa' zijn allemaal bedacht door hooggeplaatste nazi's, waaronder ook de führer zelf.

Verder bestaat er nog een ander boek: *'The European collective'* van Christopher Story. Daar staat nog meer gefundeerde informatie in. [exopolitics\(dot\)blogs\(dot\)com/files/eu-collective\(dot\)pdf](http://exopolitics(dot)blogs(dot)com/files/eu-collective(dot)pdf)

**De houding van de (EU) politiek, wetenschap, religie, 'geheime' clubjes, denktanks en bankmaffia naar mij toe is even beledigend als alle woorden die ik gebruik om hun houding te omschrijven**

NATIONAL DESTABILISATION PLAN OF KGB/GRU BASED ON SOVIET DEFECTOR INTELLIGENCE		
'DEPARTMENTS' OR 'AREAS' OF THE TARGETED SOCIETY	METHODS EMPLOYED	INTENDED RESULTS
<b>'IDEAS' [sic]</b>		
<b>DEMORALISATION STAGE [15-20 years*]</b>		
1 Religion, especially true Christianity	Politicisation, commercialisation, scurrilous 'happy-clappy' events, entertainment. In the case of true Christianity, ignorance of scripture. Empty ritual. Women priests. Racism.	Diversionsary claptrap, simony, false religion, sects, divination, magic, sorcery, charisma, death wish, spiritual desert, emptiness and ignorance.
2 Education 3 Media	Permissiveness, relativity. Monopolisation of 'news' and comment. Manipulation of information and thought. Constant criticism and discrediting of institutions. Concentration on fake, non-issues, double-standards.	Ignorance, zero historical knowledge. 'Political correctness'. 'Groupthink'. 'Luciferian fog'. Uninformed myopia; opinions = facts. Reiteration of lies as facts, which are accepted as such by the uninformed. Emergence of the 'common mind'.
4 Culture	Substitution of false, cheap heroes and rôle models for inspiration and morals.	Addictive fads, salacious and empty culture, mumbo-jumbo, 'ape' speech.
<b>STRUCTURE</b>		
5 Law and order	Legislated, imposed, inconsistent, unwarranted bias in favour of offender, victimisation of victim. Rights, not obligations.	Mistrust of 'justice', legal cynicism. In EU context, 'justice' is whatever promotes the EU's interests.
6 Social relations 7 Security	Penetration and demoralisation of intelligence community, police, military [homosexuality etc.] Women in military. Collectivisation of military power and security.	Erosion of individual responsibility. Degradation of intelligence quality, military power and recruitment pool. Defencelessness. Total unawareness of strategy. Idolatry of 'cooperation'. Inability to act decisively and alone. Infrastructure decay.
8 Internal politics	Aggressive, poisonous party antagonisms, sense of drift, failure to get to grips with issues, constant lying and equivocation, careerism and egoism.	National disunity, cynicism, posturing by top leadership, lack of purpose. Government by 'spin doctorate'. Substance subordinated to image.
9 Foreign relations	Entanglement in ever-expanding net of multilateral treaties, accords and bilateral treaties underpinning them. Diplomats identify with foreign states rather than their own.	Enveloping sense of oppressive impotence on world stage. Double-standards (e.g., IRA terrorists = 'freedom fighters', not 'international terrorists'). Confusion at the top, wrong priorities.
<b>'LIFE'</b>		
10 Family, society 11 Health	Foster breakdown, destroy marriage. Junk food, drugs, state-provided conditional health care, mass sports	Destroy loyalty, leaving state to claim it. Alcohol, drug abuse, obesity, impotence. Enfeebled masses.
12 Race	Mixing of races, elevation of 'racism' to Hitlerian level, promotion of 'diversity', degradation of breeding, 'genetics vs. environment' debate.	Hatred, divisions, evil compromises.
13 Population	Alienation from countryside, urbanisation, drug addiction, vulnerability to mass epidemics.	General alienation, victimisation, sense of impending breakdown, demoralisation.
14 Labour	Trade unions vs. society. Public sector chaos.	
<b>TRIUMPH OF SUBVERSION</b>		
<b>DESTABILISATION STAGE [2-5 years*]</b>		
15 Power struggle 16 Economy	Populism, irresponsible power struggle. Destruction of legal substructure, bargaining process, industry, currency. Red tape, excessive taxation, arbitrary abuse of power by bureaucrats.	Big Brother appears in the wings. In the E.U. context, Big Brother is the Collective - 'The Beast' which has 'emerged' and is not yet recognised as such, as the oppressor. Big Brother gains credibility, power.
17 Society, law 18 Position in the world	Grass roots participation in everything, maximisation of indignation, exposures. Destroyed, as nation is subsumed in multi-nation mechanisms, all influence lost.	Reaction, mobocracy, breakdown of law and order, rioting, street deaths. Psychological collapse, destruction of all past values and self-esteem, encirclement.
<b>REVOLUTION</b>		
<b>CRISIS [2-6 months*] CENTRAL REVOLUTIONARY COMMITTEE ESTABLISHED</b>		
* Soviet sources indicate these timeframes were/are in dispute.		
<b>'NORMALISATION' [= de facto Communism] and 'PEACE' [= effective cessation of all opposition to Socialism/Communism]. Option of bloodbath [perestroika].</b>		

The national revolutionary subversion process, based on details revealed by the Soviet defector Yuriy Bezmenov (a.k.a. Tomas Schuman), using his own knowledge of KGB strategy and details conveyed to John Barron, [the author of KGB: The Secret Work of Soviet Secret Agents [1974] and 'KGB Today: the Hidden Hand' [1983], Hodder and Stoughton, London], by the GRU-KGB officer Stanislav Levchenko, who had attended the Soviet Academy of [Leninist] Sciences' Oriental Studies Institute with Bezmenov. The chart, which has been elaborated by this Author on the basis of new information, shows the four stages of Soviet/Leninist ideological subversion: Demoralisation, Destabilisation Crisis and 'Normalisation'. We kunnen stellen dat de fascistische EU een communistische staat is.
