YELLOW POWER

Cowardly politicians cause a world revolution

After 16 weeks of extreme violence of French police and military forces against French unarmed protesters, known as Yellow Vests, finally the cowards in the UN woke up. Not one Political European ASSHOLE had the courage to tell Macron that he is a FASCIST and a copy of HITLER!

What should have happened if the Yellow Vests were protesting in Russia and Russia should use the amount of VIOLENCE against his protesters. Would it take 16 weeks before any protest was heard from those same politicians? FUCK ALL POLITICIANS IN THE WORLD!

Let pictures tell you the TRUTH

8,000+ arrested, 500 major injuries, 2,000+ imprisoned (Feb 14), 1,500+ awaiting trials (Feb14), 12 deaths, 20+ blindings, 6 hands lost, 10,000+ rubber bullets fired. Cops never switch sides – they have too much to lose.

France's Yellow Vests: Proving Police Are Indeed Part of the 1%

Not reported in most media: at any Yellow Vests protest where riot police are deployed one will hear the chant: "Everybody hates the cops"
