## Wars 001

"The fight against Germany has now been waged for months by every Jewish community, on every conference, in all labor unions and by every single Jew in the world.

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

## Etienne van Rattingen

There are reasons for the assumption that our share in this fight is of general importance. We shall start a spiritual and material war of the whole world against Germany. Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. but our Jewish interests call for the complete destruction of Germany..."

(Vladimir Jabotinsky, Mascha Rjetsch, January 1934)

### Wars 002

"**The millions of Jews** who live in America, England and France, North and South Africa, and, not to forget those in Palestine, **are determined to bring the war of annihilation against Germany to its final end.**"

(The Jewish newspaper, Central Blad Voor Israeliten in Nederland, September 13, 1939)

### Wars 003

"His (God's) intention will be realized through bloody struggles, wars and revolutions; the present social order will be destroyed together with all institutions that are bound up with the present social order. State capitalism and fascism will take the place of the present social order."

(A Program for the Jews and Humanity, Harry Waton, p. 225).

### Wars 004

"The responsibility for the last World War [WW I] rests solely upon the shoulders of the international financiers.

It is upon them that rests the blood of millions of dead and millions of dying."

(Congressional Record, 67th Congress, 4th Session, Senate Document No. 346)

### Wars 005

"I probably had more power during the war than any other man in the war; doubtless that is true."

(The International Jew, Commissioned by Henry Ford, speaking of the Jew Benard Baruch, a quasiofficial dictator during WW I).

### Wars 006

"In death as in life, I defy the Jews who caused this last war [WW II], and I defy the powers of darkness which they represent.

I am proud to die for my ideals, and I am sorry for the sons of Britain who have died without knowing why."

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

Wars 011

"In [preWW II] Berlin, for example, when the Nazis came to power, 50.2% of the lawyers were Jews... 48% of the doctors were Jews.

The Jews owned the largest and most important Berlin newspapers, and made great inroads on the educational system."

### Wars 012

"Step by step, I have arrived at the conviction that the aims of Communism in Europe are sinister and fatal. At the Nuremberg Trials, I, together with my Russian colleague, condemned Nazi Aggression and Terror. I believe now that Hitler and the German People did not want war. But we, {England}, declared war on Germany, intent on destroying it, in accordance with our principle of Balance of Power, and we were encouraged by the 'Americans' {Jews} around Roosevelt. We ignored Hitler's pleading, not to enter into war. Now we are forced to realize that Hitler was right. He offered us the co-operation of Germany: instead, since 1945, we have been facing the immense power of the Soviet Empire. I feel ashamed and humiliated to see that the aims we accused Hitler of, are being relentless pursued now, only under a different label." (Ashamed and Humiliated The British Attorney General, Sir Hartle Shawcross, said in a speech at Stourbridge, March 16/84 (AP)).

### Wars 013

"You {non-Jews} resent us {Jews}, but you cannot clearly say why... Not so many years ago I used to hear that we were money-grubbers and commercial materialists; now the complaint is being whispered around that no art and no profession is safe from Jewish invasion...

"We shirk our patriotic duty in war time because we are pacifists by nature and tradition, and WE ARE THE ARCH-PLOTTERS OF UNIVERSAL WARS AND THE CHIEF BENEFICIARIES OF THOSE WARS. We are at once the founders and leading adherents of capitalism and the chief perpetrators of the rebellion against capitalism. Surely, history has nothing like us for versatility!...

"You accuse us of stirring up revolution in Moscow. Suppose we admit the charge. What of it?... You make much noise and fury about undue Jewish influence in your theaters and movie palaces. Very good; granted your complaint is well founded. But WHAT IS THAT COMPARED TO OUR STAGGERING INFLUENCE IN YOUR CHURCHES, SCHOOLS, YOUR LAWS AND YOUR GOVERNMENT, AND THE VERY THOUGHTS YOU THINK EVERY DAY?

...'The Protocols of the Elders of Zion' which shows that we plotted to bring on the late World War. You believe that book. All right... we will underwrite every word of it. It is genuine and authentic. But what is that besides the unquestionable historical conspiracy which we have carried out, which we never have denied because you never had the courage to charge us with it, and of which the full record is extant for anybody to read?

"If you really are serious when you talk of Jewish plots, may I not direct your attention to one worth talking about? What use is it wasting words on the alleged control of your public opinion by Jewish financiers, newspaper owners, and movie magnates, when you might as well also justly accuse us of the proved control of your whole civilization...

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

Etienne van Rattingen

"You have not begun to appreciate the real depth of our guilt. WE ARE INTRUDERS. WE ARE SUBVERTERS. We have taken your natural world, your ideals, your destiny, and have played havoc with them.

**"WE {Jews} HAVE BEEN AT THE BOTTOM OF NOT MERELY OF THE LATEST WAR {WWI} BUT OF NEARLY ALL YOUR WARS, NOT ONLY OF THE RUSSIAN BUT OF EVERY OTHER MAJOR REVOLUTION IN YOUR HISTORY.**

"We have brought discord and confusion and frustration into your personal and public life. WE ARE STILL DOING IT. No one can tell how long we shall go on doing it... Who knows what great and glorious destiny might have been yours if we had left you alone.

"But we did not leave you alone. We took you in hand and pulled down the beautiful and generous structure you had reared, and changed the whole course of your history. WE CONQUERED YOU as no empire of yours ever subjugated Africa or Asia. And we did it solely by the irresistible might of our spirit, with ideas, with propaganda...

"Take the three principal revolutions in modern times, the French, the American and Russian. What are they but the triumph of the Jewish idea of social, political and economic justice? And the end is still a long way off. WE STILL DOMINATE YOU...

"Is it any wonder you resent us? We have put a clog upon your progress. We have imposed upon you an alien book {Scofield Bible} and alien faith {Judeo-Christianity, a false Christianity} which is at cross-purposes with your native spirit, which keeps you everlastingly ill-at-ease, and which you lack the spirit either to reject or to accept in full...

"We have merely divided your soul, confused your impulses, paralyzed your desires...

"So why should you not resent us? If we were in your place we should probably dislike you more cordially than you do us. But we should make no bones about telling you why... You Christians worry and complain about the Jew's influence in your civilization. We are, you say, an international people, a compact minority in your midst, with traditions, interests, aspirations and objectives distinct from your own. And you declare that this state of affairs is a measure of your orderly development; it muddles your destiny. I do not altogether see the danger. Your world has always been ruled by minorities; and it seems to me a matter of indifference what remote origin and professed creed of the governing clique is. THE INFLUENCE, on the other hand, IS certainly THERE, and IT IS VASTLY GREATER AND MORE INSIDIOUS THAN YOU APPEAR TO REALIZE...

"That is what puzzles and amuses and sometimes exasperates us about your game of Jew-baiting. It sounds so portentous. You go about whispering terrifyingly of the hand of the Jew in this and that and the other thing. It makes us quake. WE ARE CONSCIOUS OF THE INJURY WE DID WHEN WE IMPOSED UPON YOU OUR ALIEN FAITH AND TRADITIONS. And then you specify and

talk vaguely of Jewish financiers and Jewish motion picture promoters, and our terror dissolves in laughter. The Gentiles, we see with relief, WILL NEVER KNOW THE REAL BLACKNESS OF OUR CRIMES...

"You call us subversive, agitators, revolution mongers. IT IS THE TRUTH, and I cower at your discovery... We undoubtedly had a sizable finger in the Lutheran Rebellion, and IT IS simply A FACT THAT WE WERE THE PRIME MOVERS IN THE BOURGEOIS DEMOCRATIC REVOLUTIONS OF THE CENTURY BEFORE LAST, BOTH IN FRANCE AND AMERICA. If we were not, we did not know our own interests. The Republican revolutions of the 18th Century freed us of our age-long political and social disabilities. They benefited us... You go on rattling of Jewish conspiracies and cite as instances the Great War and the Russian Revolution! Can you wonder that we Jews have always taken your anti-Semites rather lightly, as long as they did not resort to violence?"

(Marcus Eli Ravage (Big Destruction Hammer of God), member of the staff of the New York Tribune, "A Real Case Against the Jews," in Century Magazine, January-February, 1928).

### **Wars 015**

"It has been estimated that of the world Jew population of approximately fifteen millions, no fewer than five million are in the United States. Twenty-five percent of the inhabitants of New York are Jews.

During the Great War we bought off this huge American Jewish public by the promise of the Jewish National Home in Palestine, held by Ludendorff to be the master stroke of Allied propaganda as it enabled us not only to appeal to Jews in America but to Jews in Germany as well."

(Propaganda in the Next War, Sidney Robertson, p. 147; War! War! War!, Cincinnatus, p. 192).

"Meanwhile our Christian? Government unites with the British-Jewish Empire, in a plot to starve not merely German women and children (that has had our active support since the war started), but also the women and children of France, Belgium, Holland, Denmark, Norway, Sweden, Finland, Austria, Hungary, Italy; in fact, all of Europe except Britain until, by provoked revolution, it is hoped general chaos will come.

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

Germany will be destroyed, and the British- Jewish Empire once more put in control of Europe.

The starvation of men, women and children has been the most approved English method of warfare since the Jews became dominant there - Ireland, China, India, the Boers, Germany, Austria, Hungary, Italy and now France, Holland, Belgium, Norway and Spain. England and the Jews, with our help, in the name of civilization and Christianity, have illegally made food contraband against friendly peaceable nations and call it economic warfare - viz: Jewish warfare - the Four Horsemen." (War! War! War!, Cincinnatus, p. 242).

### **Wars 017**

"Under the pressure of international finance the atmosphere in Europe became very congested. Instead of using the huge money resources for cultural purposes, the international banking houses urged unlimited armaments of European States, and sometime deliberately precipitated military adventures.

In this connection it is of interest to recall a statement of Israel Zangwill, the well-known Zionist leader, to the effect that it was Mr. Jacob Schiff who financed 'the Japanese War against Russia,' (See Israel Zangwill's "The Problems of the Jewish Race," p. 14, The Judaic Publishing Company, New York),

as well as another statement, that of Mr. George Kennan, revealing the fact that it was the same banker who financed the revolution among Russian war prisoners in Japan (Compare the report on a Socialist meeting held in Carnegie Hall on March 23, 1917, to celebrate the Russian Revolution, as recorded in the New York Times, March 24, 1917).

Immense munition plants, such as Krupp and Skoda, Poutiloff, and Manfred Weiss, Deutsch & Son, and Schneider, were all controlled directly or indirectly by high finance, forming part of the interlocking system.

Nor should it be forgotten that the same group of cosmopolitan bankers invariably have given their support to various enterprises which helped the Central Powers to further their imperialistic plans.

Thus, soon after the annexation of Bosnia and Herzegovina, when the Dual Monarchy began her war preparations against Italy, it was this bankers' group which loaned 300 million kronen for the expansion of the Austrian navy, with the result that the new battleships were christened by one part of the European press as "Rothschild dreadnaughts."

## Etienne van Rattingen

Emperor Nicholas II, dated January 3, 1906, on the international aspect of the first revolutionary outbreak in Russia in 1905.

Some of the passages in this report are so striking that we feel it necessary to quote them in extenso: 'The events which took place in Russia during 1905, and which assumed especially acute forms at the beginning of October last, when after a series of strikes, they brought about an armed revolt in Moscow, and many other towns and localities of the Empire, plainly indicate that the Russian revolutionary movement; apart from its deeper, internal, social-economic and political causes, has also quite a definite international character...

The most decisive indications which warrant this conclusion are given by the circumstances that the Russian revolutionaries are in possession of great quantities of arms which are imported from abroad, and of very considerable financial means, because there can be no doubt that the leaders of the revolution have already spent on our anti-government movement, the organization of all sorts of strikes included, large amounts of money.

Since, however, it must be acknowledged that such support given to the revolutionary movement by sending arms and money from abroad can hardly be ascribed to foreign governments (with very special exceptions, as, for instance, that of Sweden supporting the revolutionary movement in Finland, and of Austria which helped the Poles) one is bound to come to the conclusion that there are foreign capitalists' organizations which are interested in supporting our revolutionary movement.

With this conclusion the fact must be confronted that the Russian revolutionary movement has the outspoken character of a movement of the heterogeneous nationalities of Russia which one after another, Armenians and Georgians, Letts and Esths, Finns, Poles and others, arose against the Imperial Government...

If we add to the above, that, as has been proved beyond any doubt, **a very considerable part among these heterogeneous nationalities is played by Jews, who, individually, as ringleaders in the other organizations, as well as through their own (the Jewish Bund in the Western Provinces), have always come forward as the most bellicose element of the revolution, we may feel entitled to assume that the above-mentioned foreign support of the Russian revolutionary movement comes from Jewish capitalist circles.**

In this respect one must not ignore the following concurrences of facts which lead to further conclusions, namely, that the revolutionary movement is not only supported but also to a certain degree directed from abroad.

On one hand, the strike broke out with special violence and spread all over Russia not before and not after October, that is, just at the time when our government tried to realize a considerable foreign loan without the participation of the Rothschilds and just in time for preventing the carrying out of this financial operation;

**If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!**

## Etienne van Rattigen

the panic provoked among the buyers and holders of Russian loans could not fail to give additional advantages to the Jewish banks and capitalists who openly and knowingly speculated upon the fall of the Russian rates.

**..Moreover, certain very significant facts, which were also mentioned in the press, quite confirm the obvious connection of the Russian revolutionary movement with the foreign Jewish organizations.**

**Thus, for instance, the above-mentioned importation of arms, which according to our agents' information was carried on from the European Continent through England can be duly appreciated if we take into consideration that already in June, 1905, a special Anglo-Jewish committee of capitalists was openly established in England for the purpose of collectible money for arming fighting groups of Russian Jews, and that the well-known anti-Russian publicist, Lucien Wolf, was the leading member of this committee.**

**On the other hand, in view of the fact that the sad consequences of the revolutionary propaganda affected the Jews themselves, another committee of Jewish capitalists was formed in England, under the leadership of Lord Rothschild, which collected considerable amounts of contributions in England, France and Germany for the officially alleged purpose of helping Russian Jews who suffered from pogroms.**

**And lastly, the Jews in America, without thinking it necessary formally to distinguish between the two purposes, collect money for helping the pogrom sufferers and for arming the Jewish youth.'**"

(The World At The Cross Roads, Boris Brasol, pp. 73-76).

"It's been conclusively proven Iran is not going to be talked out of its nuclear programme. So to stop them from doing it, we have to massively increase the pressure.

"If we can't get enough other countries to come along with us to do that, then we've got to go with regime change by bolstering opposition groups and the like, because that's the circumstance most likely for an Iranian government to decide that it's safer not to pursue nuclear weapons than to continue to do so.

"And if all else fails, if the choice is between a nuclear-capable Iran and the use of force, then I think we need to look at the use of force.

[\*\*\*] If the choice is them continuing [towards a nuclear bomb] or the use of force, I think you're at a Hitler marching into the Rhineland point. If you don't stop it then, the future is in his hands, not in your hands, just as the future decisions on their nuclear programme would be in Iran's hands, not ours."

"Iran is a state sponsor of terrorism. We all know that. Iran continues their efforts to build nuclear weapons.

"Iran is now exporting lethal IED's and jihads and suicide bombers into Iraq killing American soldiers. The Iranians encouraged Hezbollah to attack Israel from Lebanon recently. Iran poses one of the greatest threats to the world, to the security of the world, and in the Middle East.

"I believe the Iranians have got, we have got to bring greater pressures, diplomatic, economic, political, join with our European allies. We still fear greatly the effect of a cut off of oil on, from, into Europe. We have to work together.

"If the Russians and the Chinese are not helpful to us, then we had better figure out a way to put additional pressures encouraging democracy and freedom within Iraq, which is a very cultured society... within Iran, which is a very cultured society.

"At the end of the day, we cannot allow Iran to acquire nuclear weapons. [...] My greatest fear is the Iranians acquire a nuclear weapon, and give it to a terrorist organization, and there is a real threat of them doing that.

"The trip wire [for a U. S. strike at Iran] is, that if they acquire these weapons, and their, our intelligence tells us, that this is a real threat to the state of Israel, to other states in the region. But I want to emphasize, Chris, there's lots of additional efforts that can be made and must be made before we consider that option. There's lots of things we can do. That is the ultimately final option and I don't think we need to exercise it at this time."

The Islamic republic of Iran has already documented these unlawful and dangerous threats by sending official letters to the UN Secretary General and the Director General of the IAEA. While revolts in Tunisia and Egypt caught the US by surprise there is speculation that they are behind revolts in Libya and Syria. Russia and China are also see observing these developments.

Press TV talks with Dr. Paul Craig Roberts, former assistant secretary to US Treasury in Panama City who concisely provides insight as to the larger scope of American hegemonic strategy that seriously risks Russian and Chinese interests.

**Press TV:**

There is talk about Washington being advised to arm the revolutionaries in Libya. Do you think this is a good idea?

**Dr. Paul Craig Roberts:**

They are already arming them. **That is what's unique about the Libyan revolt. It's not a peaceful revolt; it's not taking place in the capital; it's an armed revolt from the eastern part of the country. And we know that the CIA is involved on the ground and so they are already armed.**

**Press TV:**

How do you compare this military intervention to the one in Bahrain?

**Dr. Paul Craig Roberts:**

We don't want to overthrow the government in Bahrain or in Saudi Arabia where both governments are using violence against protesters because they're our puppets and we have a large naval base in Bahrain.

**We want to overthrow Gaddafi and Assad in Syria because we want to clear China and Russia out of the Mediterranean.**

China has massive energy investments in eastern Libya and is relying on Libya along with Angola and Nigeria for energy needs. This is an American effort to deny resources to China just as Washington and London denied resources to the Japanese in the 1930s.

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

## Etienne van Rattingen

The interest in the Syria protests, which Wikileaks shows the Americans are behind -- we are interested in that because the Russians have a large naval base in Syria and it gives them a presence in the Mediterranean. So you see that Washington is all for invading against Libya and is putting more and more pressure to intervene in Syria because we want to get rid of the Russians and the Chinese.

We don't have anything to say about the Saudis -- how they treat protesters or anything to say about the violence used against protesters in Bahrain.

**Press TV:**

Are you saying the ultimate goal in attacking Libya is because of the oil factor?

**Dr. Paul Craig Roberts:**

It's not just the oil, it's the fact of China's penetration of Africa and China lining up oil supplies for its energy needs. You may be aware that the International Monetary Fund (IMF) has released a report that says that the 'Age of America' is over and that the American economy will be bypassed by China in five years and then the US will become the second largest economy rather than first.

So one of the things Washington is trying to do is to block; to use its superior military and strategic capabilities at this time to block China's acquisition of resources in order to make the development of the Chinese economy slow down.

This is a major reason why the CIA has been active in eastern Libya and it's the reason protests broke out in the east not in the capital like in the other Arab countries and it's the reasons it's armed.

**Press TV:**

Do you think Libya's diplomatic isolation was the main reason for this military intervention?

**Dr. Paul Craig Roberts:**

I don't think it was the main reason. The main reason I think was to evict China from Libya, which is what is happening. The Chinese had 30,000 people there and they've had to evacuate 29,000 of them.

It's also payback to Gaddafi for refusing to join the US Africa Command (AfriComm). It became operative in 2008 and was the American response to China's penetration of Africa; we created a military response to that and Gaddafi refused to participate -- he said it was an act of imperialism trying to purchase an entire continent.

And I think the third reason is that Gaddafi in Libya controls an important part of the Mediterranean coast; as does Syria.

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

Etienne van Rattigen

So I think those two countries are just in the way of American hegemony in the Mediterranean and certainly the Americans don't want a powerful Russian fleet stationed there and they certainly don't want China drawing energy resources.

Washington was caught off guard by the outbreaks of protests in Tunisia and Egypt, but quickly learned that they could use and hide behind Arab protests to evict Russia and China without a direct confrontation, they wouldn't want that, so they've engineered these protests.

We know for a fact that the CIA has been stirring discord in eastern Libya for some time, this is a known fact. And the release of Wikileaks cables show that the Americans are involved in stirring up unrest in Syria.

We didn't stir up unrest in Egypt or Bahrain or Tunisia or Saudi Arabia. We probably are responsible for the unrest in Yemen because we were using drones and strikes against various tribal elements.

So, that is the big difference that the Syrian and Libya affairs have American hands in them, organizing the demonstrations, providing money and so forth. There are always discontented people that can be bought and promises given.

**Press TV:**

Drones are now being used in Libya. From where do these drones operate? Technically they cannot fly from Italy because of a shortage of fuel so where do they operate from?

**Dr. Paul Craig Roberts:**

I don't know -- could be from American naval vessels. I believe the last report about the drones did come from a Navy officer.

I'd like to add something to this conversation. Probably the biggest risk and the one that's being ignored is China's attitude. The Chinese companies are losing hundreds of millions (dollars) from this intervention. They have 50 massive investments there all going down the drain and this is clearly perceived by China as an act against them. They don't have any illusions; they don't read the New York Times or Washington Post and believe all of that crap. So what they see is a move of the Americans against China.

**Press TV:**

Are you suggesting that the Americans want to take out China and replace these investments with American companies?

**Dr. Paul Craig Roberts:**

Or anybody, that's right. And I think the Russians are beginning to perceive that the whole Syrian thing is a move against them and their base there.

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

## Etienne van Rattingen

So what we're really doing is antagonizing two large countries: China, which has an economy that is probably better than the US because their people have jobs; and the Russians have unlimited nuclear arsenal -- and so we're starting to press very strong countries in a very reckless way. We're behaving in a very reckless and dangerous way.

Once you start this and Russian and China come to the conclusion that the Americans simply cannot be dealt with in any rational way and are determined to somehow subdue them and do them damage, all kinds of escalations can result. This is the real danger and we're risking a major war.

### **Press TV:**

(Italy is heavily reliant on Libyan oil) What about the role of Italy (as part of NATO) in Libya?

### **Dr. Paul Craig Roberts:**

This is another unique thing with this Libyan intervention. What is NATO doing fighting a war in Africa? NATO was formed to guard against the potential of a soviet invasion of Western Europe. The Soviet Union has been gone for twenty years. Steered by the US and the Pentagon it has been turned into an auxiliary force and we now have NATO involved in an aggressive war in Africa. This is a war of aggression, **a war of attack**.

So this is an extraordinary development. Why is this happening? We didn't use NATO in Egypt, Tunisia and will certainly not use it in Saudi Arabia or Bahrain so we see something highly unusual -- NATO at war in Africa. This needs an explanation.

"World War II was a war to renew Jewish domination of Germany and Central Europe and for the maintenance of the power and glory of the British/Jewish Empire.

The conspirators in America, England and France are responsible for the greatest tragedy the world has ever known and their names will be dishonored and execrated in history.

It never would have started had not Roosevelt and the half Jew Bullitt guaranteed to Britain and France all of America's resources, which meant,

first, repeal of our neutrality act and supplying them with munitions and bombers without stint;

second, in time the extension of unlimited credit;

third the use of our fleet in the Pacific to protect British, French and Dutch interests;

if these did not suffice for victory, then our young men as air pilots and our fleet to be sent to Europe;

and lastly, if World Jewry and the British/Jewish Empire could not win without them, millions of our lads to die in Europe's babbles.

The premeditated killing of human beings by another, save in self defense, is murder, a crime against Christianity, morality, humanity, and civilization, and this applies with greatest guilt to the wholesale slaughter by one nation of the people of another who have not attacked or harmed them.

After this illegal, secret plot was negotiated, Roosevelt, the Jews and the war-mongers of this country, of England and France sought **to overthrow the Chamberlain government and to replace it with the Jews Churchill, Eden, Hore-Belisha and Duff Cooper.**

They plotted **to get Bonnet out of the French Cabinet and to substitute the Jews Reynaud, Blum and Mandel.**

The ardent but unsuccessful courtship of Stalin and Soviet Russia was insisted upon by Roosevelt, World Jewry and war-mongers of America, England and France.

One of the reasons for the Roosevelt/Eden plot to overthrow the Chamberlain government and remove Bonnet from the French Cabinet was because they would not agree to pay the price Stalin demanded to encircle and defeat Germany.

At Roosevelt's and the Jews' insistence, England and France guaranteed the boundaries of Poland in order to encircle Germany and renew Jewish control.

This guarantee of the boundaries of Poland was the direct cause of World War II, it knowingly necessitated it."

and that, thanks to her factories manufacturing war material in Russia, Germany has been able to assure herself not only of secret supplies of war material and the training of officers and other ranks in the use of this material, but also, in the event of war, the possession of the best stocked arsenals in Russia...

## Etienne van Rattigen

The firm of Krupp's of Essen, Krupp the German Cannon-King (Kanonenkoenig), deserves a chapter to itself in this review of German war-industries in Russia.

It deserves a separate chapter... because its activity upon Soviet territory has grown to tremendous proportions... The final consolidation of the dominating position Krupp's occupy in Russia, was the formation of a separate company 'Manych' to which the Soviet Government granted a liberal concession... Negotiations concerning these concessions for the company were conducted in Moscow, for several months... Gradually there was formed in Russia a chain of experimental training camps, and artillery parks (ostensibly eliminated by the Treaty of Versailles).

These are under the management of German officers, and they are invariably teeming with Germans either arriving to undergo a course of training, or leaving after the completion of the course...

At the time of writing (1932) interest is growing in the rising star of Herr Adolf Hitler, the Nazi Leader. Herr Hitler is regarded as the protagonist par excellence of the Right against the Left in Germany, and, as a Hitlerist regime is anticipated before long, it may perhaps be argued that the Third Reich of the Nazis, the sworn enemies of Communism, would not tolerate the Reichswehr-Red Army connection.

Such a conclusion would be inaccurate to the last degree ... Stalin, the realist, would have no qualms in collaboration with the Hitlerist Germany.

But more important than this are the following facts: The Reichswehr Chiefs and their political allies amongst the civilian politicians and officials have succeeded in nursing their Eastern orientation, their underground military collaboration with the Soviets, in spite of all the changes of political regime in Germany since the end of the war.

It has made little or no difference to them whether the Reich Government has been composed of men of the Right, the Center, or the Left. They have just continued their policy uninfluenced by political change. There is no reason to suppose that they would change their course under a Hitlerist regime, especially when it is remembered that most of the aims, in external policy, of the Nazi leaders, are identical with those of the Nationalists and the military leaders themselves.

Furthermore, there are the great German industrialists, of Nationals color, who are amongst the principal collaborators, on the war material side, with the Reichswehr Chiefs, and who are, therefore, hand in glove with the directors of the 'Abmachungen' (Agreements) plot. Many of these great industrialists are contributors on a big scale to the Nazi party funds.

A hitlerist Germany would, therefore, have no qualms in continuing the collaboration with Soviet Russia...

The Reichswehr chiefs who are conducting the Abmachungen delude themselves that they can use Bolshevist Russia to help them in their hoped-for war of revenge against Europe, and then, in the hour of victory, hold the Bolshevists at bay, and keep them in their place.

**If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!**

## Etienne van Rattigen

The more subtle psychologists at the Kremlin, of course, know better, but are wise enough to keep their knowledge to themselves.

The fact, however, that this German-Russian plot will, in the end, bring about the destruction of Germany, will not in any way reconcile Europe to its own destruction at the hands of Germany and Russia together."

"Meanwhile our Christian? Government unites with the British-Jewish Empire, in a plot to starve not merely German women and children (that has had our active support since the war started), but also the women and children of France, Belgium, Holland, Denmark, Norway, Sweden, Finland, Austria, Hungary, Italy; in fact, all of Europe except Britain until, by provoked revolution, it is hoped general chaos will come. Germany will be destroyed, and the British-Jewish Empire once more put in control of Europe. **(UK, in fact, LONDON CITY is now in total control of the EU, therefore we will see a HARD BREXIT. The EU has completed its work, it financially destroyed all European countries at once. For this we have to thank The Goldman Sachs controlled ECB and all Goldman Sachs families, Rothschild's included, themselves!)**

The starvation of men, women and children has been the most approved English method of warfare since the Jews became dominant there - Ireland, China, India, the Boers, Germany, Austria, Hungary, Italy and now France, Holland, Belgium, Norway and Spain.

## Jewish-Nazi Cooperation

### Nazi Cooperation 001

### **Rudolf Rezso Kasztner and Collaboration with the Nazi**

Rudolf Rezso Kasztner (1906-1957)

Rudolf Kasztner was born to Jewish parents in Transylvania, a state of Austria which was transferred to Romania. Kasztner studied and became an attorney, journalist and a leader in the Zionist youth movement "Aviva Barissia" and "Ha-Ihud ha-Olam." He moved to Budapest in 1942 and joined a local Palestine Foundation Fund which was a fundraising organization of the World Zionist Organization. He also held the post of Vice chairman of the Hungarian Zionist Federation.

Kasztner was in the top management of the Zionist movement and authorized to negotiate with the German Nazis and make deals with them. He was accepted by Hitler's regime as Zionist leader representing Hungary. Early in WWII, he had open channels to Henrich Himmler (1900-1945). When Adolf Eichmann (1906-1962) traveled to Budapest in March 1944, he met with Rudolf and worked out some deals after Hungary surrendered to Germany during the war.

**In the early days of Hitler's government, an arrangement had been worked out between Nazis and Zionists to transfer Jews to Palestine in exchange for payment to the German Government. Only a small number of Jews were allowed to escape. Of the 750,000 Jews in Hungary, 550,000 were sent to their deaths in German extermination camps.**

Kasztner did not work alone. Joel Eugen Brand (1906-1964), a Jew from Transylvania started to work with him in 1943 in rescuing Jewish refugees. Brand received a message from Adolf Eichmann to travel to Turkey and convey the message to the Jewish Agency that Hungarian Jews would be spared and released in exchange for military supplies.

[If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!](#)

## Etienne van Rattigen

A meeting took place with the Jewish agency on June 16, 1944. Brand was arrested by British security forces en route to Palestine and sent to a military detention center in Cairo, Egypt. There he was allowed to meet Moshe Sharrett (1894-1965) the head of the Secret Security Commission of the Jewish Agency and a high official in the Zionist movement.

The British Government refused to accept the German offer and the shipment of Hungarian Jews to the death camps began. However, Kasztner was able to negotiate with Neutral nations, and some trucks and other supplies were given to the Germans that resulted in 1,786 Jews being released into Switzerland. Kasztner's efforts were marginal compared to the 550,000 Hungarian Jews who died in Germany.

Many of the Hungarian Jews were kept no more than three miles from the border with Romania and were only guarded by a small group of German soldiers since Germany was losing a lot of manpower to the losses against the Allied forces.

There were also very strong underground fighters in Hungary which could have overpowered the German soldiers. Instead of being warned and helped to flee, Kasztner told the imprisoned Jews that there was no danger and that they should just be patient. The Jews trusted their Zionist leadership and sat like cattle outside a slaughterhouse waiting for their deaths.

Later, after WWII, Rudolf Kasztner was given a government position in Israel as member of the Mapai party. In 1953, he was accused by Malkiel Gruenwald of collaborating with the Nazis and being the direct cause of the deaths of Hungarian Jews. The Israeli government took it very seriously and tried to protect Rudolf Kasztner by ordering the Israeli attorney general to file a criminal lawsuit against Gruenwald!

On June 22, 1955, the judge found that the case against Rudolf Kasztner had merit and so the Israeli cabinet voted to order the attorney general to appeal it to a higher court. A vote of no confidence was introduced in the Israeli Parliament, and when Zionists refused to support the vote, it caused a cabinet crisis.

If the truth of the Holocaust came out, it could bring down the Zionist Movement and threaten the very existence of Israel. Most Jews didn't know that the Zionists worked with the Nazi's. If the public were informed about the truth, they would react with horror and outrage. The Supreme Court would have started its hearings in 1958, but the Zionist movement couldn't take the chance being incriminated if Kasztner testified.

**As a result, Kasztner was assassinated on March 3, 1957. On January 17, 1958, the Supreme Court ruled in favor of the late Rudolf Kasztner.**

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

## Evidence

The story of Rudolf Kasztner and his collaboration with the Nazi's was reported in a book called "Perfidy" by an American born Jew named Ben Hecht (1894-1964). Ben was a staunch supporter of a Jewish state in Palestine at first but in the end he became a strong anti-Zionist. His book is a well-documented expose of the Zionist movement and how the Zionist Leadership worked with the Nazis in the annihilation of their fellow Jews to create such a hostile climate in Europe that Jews had no other option but to immigrate to Palestine.

## More evidence

In 1977 Rabbi Moshe Schonfeld published a book called "The Holocaust Victims." Schonfeld confirmed the writings of Ben Hecht and wrote that the Zionist leadership was concerned only in the creation of the state of Israel, not with saving Jewish lives. The book had photocopied documents supporting the charges of betrayal against the following three people:

1. Chaim Weizmann (1874-1952), a Zionist Leader and the first President of Israel.
2. Rabbi Stephen Wise (1874-1949), a Hungarian born Jew living in the USA.
3. Yitzhak Grunbaum (1879-1970), a Polish Jew and the chairman of Jewish Agency, a high leader in the Zionistic movement and Minister of Interior of the first Israeli cabinet in 1948

Paul Wallenberg was the Swedish ambassador to Hungary. He arrived shortly after 438,000 Jews were deported from Hungary to their deaths in German extermination camps. He issued Swedish passports to approximately 35,000 Jews and made Adolf Eichmann furious. As the Germans would march Jews in what was known as death marches, Wallenburg and his staff would go to train stations and hand out passports to rescue the Jews from being taken.

This upset Rudolf Kasztner and his Zionist teams because the goal of the Swedish team was to transport as many Jews as possible to Sweden as soon as the war was over. This was contrary to the goals of the Zionist leadership who were implementing Herzl's plan.

Any surviving Jews were to be taken to Palestine, not Sweden. Wallenburg succeeded in bringing out more Jews than Rudolf Kasztner ever did. When the Soviet army invaded Hungary in January 1945, Wallenburg was arrested on January 17. He was charged with espionage and murdered.

Paul Wallenburg had exposed the cooperation of the Zionist leadership with the Nazis and this was a secret that could not be let out. Therefore, the Communist/Zionist leadership eliminated a noble man who had given his all to save Jewish men, women and children.

When the debate about the Nazis working with the Zionists would not go away, the Jewish Leadership decided that something must be done to put the issue to rest. If the gentile population found out about the dark shadow over the formation of Israel, it could undermine current and future

If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!

support for the state of Israel that cannot exist without the billions of dollars it receives in aid every year from the United States.

Edwin Black, an American born Jewish writer and journalist was asked in 1978 to investigate and write a history of the events. With a team of more than 10 Jewish experts, the project took five years. The book was named, "The Transfer Agreement," and it accurately points out a whole list of Jews in the Nazi leadership but the conclusion innocently states that the Zionists who negotiated the transfer agreement could not have anticipated the concentration camps and gas chambers. The book is very well researched but still doesn't tell the history of the Zionist movement and the ideology of Theodor Herzl. Most importantly, it leaves out Herzl's words:

**"If whole branches of Jews must be destroyed, it is worth it, as long as a Jewish state in Palestine is created." -- Theodor Herzl**

Edwin Black's book is a great documentation, but it is sad that he and the Jewish Leadership are not willing to face the facts that the Zionist Leadership was the cause of the Holocaust.

It is even more sad to think that the Jewish people suffered tremendously during the Nazi regime caused by their own leadership. They were sacrificed for the cause of establishing a "kingdom" on earth, which has no place for the God of Abraham, Isaac and Jacob. (Matthew 23:13-15).

Some day in the future the Jewish people will understand that their Messiah, which their ancestors rejected, was the Son of God. (Zechariah 12:10-14)

In 1964 a book by Dietrich Bronder (German Jew) was published in Germany called, "Before Hitler came." The book tried to come to grips with why the German Jews turned on their own people and caused so much destruction of innocent people.

The answer given in the book states that the driving force behind the Jewish Nazis, was the old dream to have a Messiah who could establish a world rule with the Jews in power. The same ideology as can be seen in John 6:14-15.

Lord Acton said, "The truth will come out when powerful people no longer wish to suppress it." Since Sept. 11, more and more people are turning to the "conspiratorial" or "suppressed" view of history for explanations.

In 1891, Cecil Rhodes started a secret society called the "Round Table" dedicated to world hegemony for the shareholders of Bank of England and their allies. These priggish aristocrats,

**If Politicians 'declare' war they have to fight it on their own because all wars are ROTHSCHILD WARS, MASTERS and SOLO OWNERS of Switzerland, Israel, EU and US! Now on the 'military' road to confiscate and slaughter all rest of Asian, African and middle East countries!**

including the **Rothschilds, realized they must control the world** to safeguard their monopoly on **money creation= Fractional Reserve Banking and creating paper money out of thin air**) as well as global resources. (The Rothschilds know their GOD! **Gold Oil Diamond**)

The same folks control the U.S. Federal Reserve and other major central banks.

They were united also by a commitment to **freemasonry**, which at the top, is dedicated to **the destruction of Christianity, the worship of Lucifer, and the building of a pagan temple in Jerusalem**. They see most of humanity as "useless eaters" and they pioneered eugenics to decrease population and weed out inferior specimens. **The eventual annihilation of non-Zionist Jews** was rooted in this English movement.

In 1897, the first Zionist Congress took place in Basle. In 1904, the founder of Zionism Theodore Herzl died at age 44 under suspicious circumstances. The movement was taken over by **the Round Table**. The purpose was to use it and Communism to advance their **plan for world hegemony**.

During the same week in November 1917, the Bolshevik Revolution took place and the Balfour Declaration promised Palestine to the Jews.

**The Round Table group planned three world wars to degrade, demoralize and destroy mankind, rendering it defenceless.**

**The Third World War, now beginning, pits the Zionists against the Muslims.**

The purpose of Zionism is to help colonize the Middle East, subvert Islam, and control the oilfields. For this reason Israel continues to receive blank checks. (One analyst estimates the US taxpayer has spent \$1.7 trillion on Israel.) This is why the founding of Israel took precedence over the welfare of the Jewish people.

Israel has little to do with the Jewish people. **Zionism, Communism, Feminism, Nazism, are creations of the same satanic cabal**. These 'isms are means to the final goal, a **neo feudal global dictatorship**. FBI Director J. Edgar Hoover referred to this when he said: "The individual is handicapped by coming face to face with a conspiracy so monstrous he cannot believe it exists".

As unwitting overseers, Israelis will continue as victims of "compulsory suicide." Americans too are being fitted for this role. Sept. 11 was an example.

Arab terrorism is also backed by this cabal.

Osama Bin Laden made more than 260 phone calls to England between 1996-1998.

The aim is to contrive a "war of civilizations" as an excuse to grind down both Muslim states and the West to **create a global police state.**

What I have been calling "compulsory suicide" is satanic "culling." The constant reference by Zionist and other leaders to **"blood sacrifice" refers to the practice of human sacrifice.**

**Apparently energy is released when people are slaughtered.** Recently U.S. Deputy Secretary of State Richard Armitage said the Hezbollah owes the U.S. a "blood debt.")

**Our rulers design wars as offerings to Lucifer.** They find slaughter and mayhem exhilarating, as long as it is someone else who is sacrificed.
