

Banken zijn criminele organisaties

Als de wet niet voor dit soort criminelen hoeft te gelden, weet ik niet waarom diezelfde wet op de burgers van toepassing zou zijn.

Voor het geval u het niet beseft. Een wet is niet meer dan wat onrechtvaardige hersenkronkels van criminelen zoals de CODS en banken op papier. U moet weten dat papier kan branden!

Rothschilds and Israeli leaders study model of Rothschild sponsored Israeli Supreme Court, destined to be World Court.

Edmund de Rothschild, on Israel 500 shekel note

				
<p>Hi i'm Jacob, im the emperor of the Rothschild banking dynasty. My family is worth over £1 trillion. Money we have stolen via Usury.</p>	<p>Hi i'm Alice Jacob is my Grandfather. Im married to Zac. I'm an heiress to grandpa's loot.</p>	<p>Hi im Zac, my father James Goldsmith was a business partner of Jacob. I married Alice because I want some of Jacob's loot too.</p>	<p>Hi I'm Jemima Zac is my brother. I'm the editor of the New Statesman, a magazine created by the Fabian Society.</p>	<p>Hi i'm Russell. Jemima is my girlfriend. I'm a Marxist and campaign against the banks, but I dont mention Jacob's family</p>

De waarheid zal uitkomen. De vraag is alleen: zullen de mensen het op tijd beseffen.
