All

This database includes grant payments made by the Bill & Melinda Gates Foundation and previous foundations of the Gates family (William H. Gates Foundation, Gates Library Foundation, and Gates Learning Foundation) from 1994 onward. The system includes grant payments only, not direct charitable contracts or Program Related Investments. Please note that this database is a dynamic system that undergoes regular updates. We encourage you to reference the foundation's 990-PFs published on the financials page for the definitive list of all individual grants.

Your search for Global Health + Vaccine Development returned 191 results.
